

September 2014

Dear Praying Friends,

Bogdan, the 24-year-old physically-handicapped man, continues to attend faithfully. We have seen a change in him during the time he has been coming. When he first starting coming, he just sat there. Now, he sings and sings loud enough to be heard. He also listens very intently at the message time. He is still not saved. Please pray that he will understand his need of salvation.

We have started to build a new church building on the land we just purchased. The man who purchased our land has told us he is still interested in purchasing our current church building. He said he gave his word and will talk with us shortly about when he can do the purchase. Because it is late in the year, we will have to wait until the spring to continue building the new church building. Please pray that the man will purchase the old church building soon, so we can get everything ready for the spring.

Bob will be having surgery on October 20. He will be having a hernia repair. The hernia is located along the incision line of his surgery from last year. He will be in the hospital for three days. Please pray that all will go well and that there will not be any complications.

Bob went to the States for a mini-furlough and to deal with some family issues regarding his mother. She is 84 and suffers from severe dementia. His family is taking financial advantage of her, and her needs are not being met. Bob has hired a lawyer and will be going to court in the near future for guardianship. Please pray that Bob will be appointed the legal guardian.

While Bob was in the States, he was able to report to 13 of our supporting churches. He also was at a missions conference at a church where we had never before presented our work. We praise the Lord for his provision. The prophet's chamber at our home and sending church was available, and Bob was able to stay there the entire six weeks he was back. Also, a couple at one of our supporting churches provided Bob with the use of a car for the entire time also.

Praises:

1. For the faithful attendance of Bogdan
2. For a chance to report to 13 supporting churches
3. For the missions conference Bob was able to attend at a new church
4. For God's provision of lodging and vehicle during his stay

Prayer Requests:

1. For Bogdan's salvation
2. For Marianne's health issues (MS)
3. For wisdom to consider cost-effective ways to complete our building plans for the new church building and the multipurpose building
4. For the man who has committed to buying the current church building to keep his commitment
5. For Bob's upcoming surgery
6. For the upcoming guardianship hearing

Serving the King of Kings,
Bob and Marianne Capehart
