

Serving U.S. Military Families in Japan

The McKittrick Family

ENJOY TIMES

Vol.10 July – Aug 2014

Thursday night has become a special night for me here in Japan. The LORD has allowed that to be the night of **discipleship**.

Haruna has worked hard for an upcoming Ladies' Luncheon on September 13th. The theme is "Unshackled," and many ladies have signed up to attend. Please pray for this meeting that hearts would be strengthened and encouraged by the Word.

Haruna is also beginning to home-school Titus and Asa. They are both excited to start K-5. This is all new to us so please pray for our family (especially Haruna) as we start the "formal" education of our boys.

I did have a great gospel witness two weeks ago to my father-in-law.

Thank you for your prayers. He did not make any decision, but he did hear with understanding God's plan of salvation as we read and studied Nicodemus, the new birth, and John 3:16! Please continue to pray for Nozomu to be saved.

At five o'clock I meet with a man named Sonny. He works on Yokota Air Base and his wife is active duty in the Air Force. Sonny is a saved man and faithful to attend church, but he has never been discipled (as most everyone... were you ever personally discipled?) He approached me with a desire to grow in the Christian faith; so we open the Beautiful Book, the Word of God, and personally study basic doctrines of the faith. It is time well spent for both of us!

On Saturday nights, I meet with Takematsu, an eyeglass shop owner. We study English and the Bible (and Japanese for me). Please pray for his salvation.

I recently had a young Airman come to me with questions about baptism and it led into questions about salvation. Dairon (Day-ron) and I prayed together and he received Jesus Christ as his personal Savior that Saturday afternoon. He was baptized the next day, and we will meet on Thursday nights at six o'clock for **discipleship**. What a joy to be in the work of the LORD. This is made possible by your faithful prayers and generous giving. Thank you. Thank you very much. This is fruit credited to your account.

The Friendship Festival takes place next week (Sept. 6-7). This is a time when the base is opened to the public and many Japanese people visit. It's kind of like a "county fair" on Yokota Air Base. Anyway, we are planning to pass out 3,000 pieces of GOSPEL literature to those attending. Pray that God's Word and work will be accomplished by the efforts of Yokota Baptist Church. We want to do our part in the "work of an evangelist."
