Dear Pastor and Faithful friends,

In our last letter we spoke of finding a company that will ship Balik Bayan boxes for \$95. This is the same company that we used in the Philippines, LBC shipping. My how the Lord puts everything together in his perfect timing.

To date we've shipped out sixteen Balik Bayan boxes, packed with donation given by friends and churches across America. What a blessing! Churches that are a great distance from us have asked if they could send an offering to ship a box instead of collecting items. Of course, this is a great help. Several others have collected items that were requested in our last newsletter. Together, we can all make the items in these boxes an answer to someone's prayer, Amen! Diane and I thank you for what you've given and for what will be received in the near future.

If this wasn't enough of a blessing, our container with Bibles and tracts in Cebuano and Illongo arrived in port on the Island of Cebu. Bible Baptist church in Cebu City is going to store the Cebuano material until Bro. Mike Wonsers' storage building is completed. The Illongo material is going on to Bacolod City, Negros Occ. Island.

I am leaving Monday October 27<sup>th</sup> for the Philippines. Please pray for safety during this trip. Dr. Ricky Dunsford, Bro. Michael Adams and I will be doing a lot of traveling from island to island. The special dedication day for the Philippine Dream Center, will be Friday, October 31<sup>st</sup>, in Cebu City. We are praying that there will be a great harvest of souls as we preach in the prisons, schools and churches.

Thank you once again for your prayers and faithful support!

Because of Him,
