DAVID OWENS

Dear Pastor & Wonderful Praying Friends,

We thank you for your prayers and support because they are a tremendous encouragement to us. I Corinthians 9:24b states, "...So run, that ye may obtain." We are running a unique and personal race. We want to continue being faithful in the race and we ask that you would continue to pray for us. We remember you and pray for you often.

Deputation

We have had an exciting two months as we have seen six churches partner with us in our call to go to Argentina. We praise the Lord for each of these churches and for their hearts for Missions. We are praising the Lord that we are now at 29%. We have been able to have a part in fifteen different churches and drop in six. We were also able to attend a revival close to our house and were very encouraged by all the good preaching. We have been enjoying traveling in the Southeast and feel truly blessed by all the churches we have been in. During the week we have been earnestly contacting pastors and we thank God that this year is almost full with only a few Wednesdays open. We are looking forward to the many miles of travel ahead of us. Please pray for our meetings and safety on the road.

Outreach

We are based out of Spartanburg, SC and when we are in the area we go visiting on Saturdays in our neighborhood. This month as we were out visiting we were able to meet Melissa, who had just been in a car accident where her coworker had died and she was asking questions about where we will spend eternity. It was there we were able to share the Gospel with her and Melissa trusted Christ as her personal Savior. We truly have a God who plans divine appointments. Ashley and her son Andrew are some of our neighbors that we were able to invite to church and they were very excited about going and attended both Sunday services. We praise the Lord for what He is doing here in South Carolina and around the world.

### Cordoba

We encourage you to continue to pray for more laborers in Argentina and throughout the nations of this world. Cordoba, Argentina is the second largest city in the nation with a population of two million souls. This is the city where we plan to start our first church of the many that we desire to establish with the Lord’s help.

Cordoba has been nicknamed “La Docta” which means “the learned one” in reference to the several universities in the city. Cordoba has the second oldest university in Latin America started in the year 1613. Cordoba is a city full of life and full of souls in need of the Gospel. Would you join us in prayer for the people of Cordoba and Argentina?

### About the Author

My parents arrived to Argentina as missionaries in 1986. I was born and raised in Argentina as my parents faithfully served the Lord. I trusted Jesus Christ as my Savior at the age of 17. I grew in my faith during the following years. Because of my background, God has given me a thorough knowledge of the culture and people of Argentina. Also, He has allowed me to have experience with church planting work on the mission field. After some counsel, God led me to attend Bible College. I attended Hyles-Anderson College and graduated in May of 2012. At Bible College, I met my beautiful wife and the love of my life, Hannah. She has been a tremendous blessing to my life and an answer to prayer. We got married in May of 2014. It was at a Mission Conference at school where God called me to serve in Argentina. God has ignited in me a passion to reach the people of Argentina. I have lived there, been with the people, traveled the country, adapted to the culture and language but more importantly seen the great need! God made it clear that He wanted me to serve with Him in the country of Argentina.
