On Tuesday morning of every week we went to Silay City to have a bible study with the national police before they began the day. After that we proceeded to the jail compound and preached to the inmates. It was only a short walk to the prison and we saw this vintage World War II jeep. The Captain Jehose had just finished fully restoring it. Well, being in the Marines my mind started racing back in time when I drove them. He heard the stories and tossed me the keys for a short drive. I didn't go far because there was a preaching service waiting, but it was fun to say the least. Eight souls raised their hands for salvation and were led to Christ in the invitation, Amen!

Upon leaving we thanked all the officers for the morning services and a heartfelt handshake to the Captain Jehose for letting me drive his jeep. A week later we learned that forty yards from arriving home he was ambushed and killed by rebels that came out of the cane fields. I'm so thankful that three months before this, Captain Jehose was led to Jesus Christ in one of the bible studies. Please pray for his family that is left behind and our American missionary family (Josh/Amber Adams & Noah, Jonah, Maljhorie), who ministered to this Captain.

Because of Him.
