

Serving U.S. Military Families in Japan

ENJOY TIMES

Vol. 16 July – Aug 2015

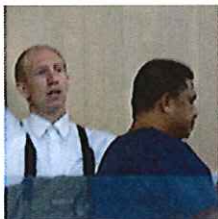

Thank you for praying for our Vacation Bible School. We averaged 35-40 kids attending every night. One night, three young people responded during the invitation and placed their trust in Jesus Christ as their personal Savior! Amen, that's why we're here!

Another blessing of VBS was that we were able to make several new contacts with Yokota Air Base families who sent their children to our VBS. Because they visited our church, we were allowed to follow up and visit them on base. We are not allowed to go "door-knocking" or "house to house" while on the base, but we are allowed to visit the homes of folks who have visited our church. We pray that these new contacts might open the door for a bus/van ministry to bring those kids to church!

I am beginning to disciple a single airman named Anthony. He is brand new out of Basic Military Training and has finished his technical training. Yokota Air Base is his first military assignment. One of the single airmen in our church invited him to visit the church, and afterward he said he really loved the passion of the services. Amen right there! Thank you for supporting us that we can reach young airmen like Anthony before the "bar-row" and other worldly attractions of Tokyo and military life get their grip on him.

In contrast to Anthony's story, last week, a young single airman living in the dorms took his own life. This sort of news really impacts the base community as a whole. Families and squadron/base commanders are hurting, and there are a lot of questions on people's minds. Imagine the sorrow of having to notify the family living back in the States. Please continue to pray for your service members and their families.

Yet, the Savior still stands with arms open wide to receive all who will come unto Him. We are thankful to be here preaching the gospel to those who took the oath to support and defend the Constitution of the United States. Thank you for your continued prayers and support. We love you folks.
