Make someone smile this year for Christmas in India.

We are planning to prepare ziplock bags full of goodies, the Gospel of John in Hindi, and our church information to give out at Christmas in the areas where we have started two churches. **These bags will mean so much to those who have so little.** The bags will cost approximately \$3.00 each to

make. Jim and Sandy Roberts will be bringing zip lock bags, lollipops, toothbrushes, and hopefully small toothpaste over with them in November. Other items we can purchase here cheaper than buying and shipping from the USA. If you are looking for a project with a **big impact** this Christmas, please consider helping us get the Gospel into the hands of many here in India around our churches. The deadline will be **October 31, 2015**. All donations can be sent to India Christmas Project, Vision Baptist Missions, PO Box 442, Alpharetta, GA 30009. Jim and Sandy Roberts are heading up this project.

Our goal is to put together AT LEAST 1,000 bags!!

Project Update as of September 3:

Thank you, Dr. Daniel Pasui (Easley, SC) for donating 500 toothbrushes and toothpaste for the Christmas bags.

outstanding day! A little over 60 people came to the opening service and majority heard the Gospel for the first time. Our guys worked really hard to get everything ready for the launch day, from cleaning to setting everything up. Pastor Das brought a great message from Acts 1 about how God wants us to reach the world with the Gospel and that is the purpose of this new church, that was just started. I also preached from John 3 and gave a clear presentation of the Gospel. Many had questions after the service concerning our new church and about Jesus. We are praying that the seeds that were sown will take root.

Pastor Das is taking leadership and doing a great job with the day to day tasks of pastoring a church. He also has been meeting with 3 young men in discipleship and we are praying that these young guys will have the same desire that Das did 2.5 years ago to reach the world with the Gospel. Please be in prayer for both of our churches as they are still young and fragile. There will be a lot of stepping up to be done now in both churches. Thank you for all that you do.
