

Serving U.S. Military Families in Japan

THE MCKITTRICK FAMILY

ENJOY TIMES VOL. 21 MAY – JUNE 2016

Dear pastor, church and praying friends,

I trust this letter finds you well. It is getting hot outside. June was rainy, but it seems the rain has given way to the heat... the muggy & sticky kind! Our family is doing well. The boys are out of school for the summer and enjoy their days playing with Legos and acting like Samurai warriors! Haruna is doing well with the pregnancy. We still don't know if it is a boy or girl. We hope to find out at the end of July. Allow me to update you on ministry highlights from May and June.

- I was able to disciple a young airman to be a soul-winner. He expressed a desire to be a better witness for Jesus Christ so we met for four weeks straight and then we went out to make some visits in the real world. What a blessing!
- We experienced the effects of the military's PCS (Permanent Change of Station) season. One very faithful family moved on to Alaska. They will be dearly missed. They were active in choir, Ladies meetings, Yokota Bible Institute and led our Patch the Pirate program. They leave behind ministry holes for which we are praying the Lord to fill.
- The month of June was celebrated as LGBT Pride Month on the Yokota Air Base. They set up a booth at a cherry blossom festival on base and also orchestrated a 5k run to raise awareness of their wicked community. Most recently, the U.S. government lifted the ban on transgender people serving in the military. Many of our military folks are very frustrated at these decisions. It is disgusting. Please pray for our born-again troops who must serve and deal with the vileness of this ungodly and abominable agenda.
- Yet God is still saving souls and the gospel is the power of God unto salvation. A young woman attended one Sunday morning service in June and responded at the invitation to receive Jesus Christ as her personal Savior. She is soon to be baptized.
- A faithful brother in Christ and I went out door-knocking in our local area. We were looking for military personnel that live out in town. As we went, we encountered a Mormon, a Buddhist and a Jew! We talked to people from Korea, the Philippines, Thailand, Sierra Leon (Africa), Minnesota, Texas and Utah! In every situation the gospel was proclaimed! The gospel of Christ sees no race, location or cultural background! Simply put, IT is the POWER of God unto salvation to everyone that believeth. Please continue to pray for us to have the power of God resting on our lives and ministry that we may see many people trust Jesus Christ as Savior so that He may be glorified.

Thank you for all of your prayers and support. We are very grateful to be your missionaries for our US Military here in Tokyo.
