Dear Pastor and Faithful Friends,

Several months ago we started thinking about a project to reach out to the thousands of children in the Philippines with the gospel. What better way to do that than with a coloring book and crayons? Churches and individuals responded to this Coloring Book Project of 'Let's Learn About Missionaries.' These pages contain the gospel, several missionaries' stories were told and of course the plan of salvation.

Here are some of the pictures of those coloring books and crayons being distributed. My how excited the children were to receive your gift! We're already planning for additional themes to follow this one!

These pictured Bible Time Classes offer the perfect opportunity to also reach the parents and grandparents. Since, the children come out in droves during these classes along with the parents gathering around, I thought it would be an added blessing if we had Bibles to give to each parent and grandparent at this time.

There is a great need once again to purchase Bibles to be given away. Will you help us purchase Bibles so we can give not only coloring books but also a copy of the Word of God to these dear Filipinos. You can help put a Bible into their hands by sending a love offering to **'Philippine Bible Give Away' account #885.**

Our goal is to purchase 10,000 Bibles at a cost of \$3.00 per Bible. *"So then faith cometh by hearing, and hearing by the word of God."* Romans 10:17

Thank you for praying and your continued support so that the Philippines can be reached with the gospel.
