**THE MCKITTRICK FAMILY**  
ENJOY TIMES VOL. 23 SEPT – OCT 2016

Dear Pastor, church, & praying friends,

Here are some of the "Headlines":

- We had a "Pack the House Sunday" in September. We had several visitors including some of Haruna's high school friends. She worked hard to invite them and get them here, and it was great to share the gospel with them!
- Lots of transitions with the end of the PCS season. We lost two more faithful families. That hit us hard as we lost our song leader, choir leader, Sunday School teacher, and church pianist, and an all-around faithful family. However, all is not lost! Amen! We had 21 visitors the next Sunday morning. God was just reminding me that He is in control! We did have a new family join in September. Praise the Lord!
- During the last two months I was privileged to lead three people to the Lord and baptize all of them. I also got to baptize a young man who was already saved but had never been Scripturally baptized.
- The Yokota Air Base held their annual "Friendship Festival" in September. Hundreds of thousands of Japanese folks come out to visit. The festival is held on the base's flight line. We stand outside the gate and stuff our backpacks with "Gospel Fans." This year we passed out 3,000 gospel fans in about an hour! To God be the glory!
- In October we held our annual Missions Conference. Pastor and Mrs. Greg Hawn from Tabernacle Baptist Church, Altus, OK, came and preached to our hearts. (Pastor Hawn was my pastor while I was stationed at Altus AFB.) As our congregation is made up from people with all kinds of "church" backgrounds it is an important work to set before them the Great Commission and inspire them to get involved in supporting world-wide missions!
- Two of our men who are deployed at the moment. Please pray for them and for their families; both have small children. Please continue to pray for our country and its leaders.
- And last, but certainly not least... our first daughter was born! Phebe Kana McKittrick was born October 25<sup>th</sup> at 3:21am. She weighed 6.4 lbs and was 19.5 inches long. Both Haruna and baby Phebe are doing great. As we left the Japanese hospital I whispered to Haruna, "These people don't know, but they are in the presence of a princess!" hahahaha

3000 Gospel Fan distributed to local Japanese!
