Prayer Letter #10
March 2017

Due to your faithful prayers for us, WE HAVE ARRIVED SAFELY HERE IN PAJU CITY KOREA! The first few weeks have already flown by and we have been busy settling into our apartment and making it our new home. The girls have all been adjusting quite well to the new environment already and know it is by the grace of God through your faithful prayers for us.

We have already been talking to a realtor for a meeting place and he was able to show us a few possible locations. We continue to ask that you join us in prayer for the Lord to provide the funds needed to get this church plant underway!

We were also quite ecstatic and grateful to have our Sending Team Captain (from our Sending Church) Joe Waters come and visit us for a few days here in Korea already! It was a wonderful time of fellowship and also praying together for the possibility of having our Sending church plan a missions trip out here to help with our ministry for next year. We are so very thankful to have a great Sending Team Captain along with a Sending Team of prayer warriors back Home.

Despite entering Satan's domain and arriving on the battlefield here- the past 3 weeks, the Lord has allowed us to cross paths with families we have witnessed to 8 yrs ago. We know without a doubt it was orchestrated by the hand of God! They have already mentioned an interest in visiting our ministry as some of them have "fallen away from the faith" and in much discouragement. Rose has also already been able to reach out to three young mothers for the Ladies' Bible study she is putting together currently. We are very much looking forward to fellowship with these new souls and building relationships so that we can plant seeds and disciple growth as we have so long been praying!

Please pray for South Korea! The country is in turmoil as she has experienced first presidential impeachment just a few days ago. Shamed President Park was pro-USA and an ardent conservative, however, due to her failed presidency,

the current political atmosphere here in Korea is heavily dominated by liberal politicians. Many predict that the next president will likely be the one desiring closer ties with Red China and Kim Jeong Un of NK rather than with the US. So needless to say, we ask for prayers for this country and for protection and safety.

We continue to also covet prayers for God's grace and wisdom as we settle in our new home town and make contact with souls in need of the Saviour, for our three daughters as we admonish them in the Lord and also as they continue on with homeschooling in finishing off 8th, 4th grade and K4 by this May. Prayers for safety and health in carrying out God's calling here is also very much needed.
