## THE MCKITTRICK FAMILY

Enjoy Times Vol.26 Mar - Apr 2017

Dear Pastor, Church, & Praying Friends,

*"I will bless the LORD at all times: his praise shall continually be in my mouth" (Ps. 34:1).*

What a nice verse! We are so grateful to be on the field, serving the Lord and preaching the gospel of Jesus Christ! Please continue to pray for us. We are in the middle of replanting the church. "Uncle Sam" has relocated several faithful families, but we have first time and returning visitors almost every Sunday. Please pray that God will deal with them about joining a good, Bible-believing Baptist church like Yokota Baptist!

Highways and Hedges Ministry

March and April have flown by here in Tokyo. We celebrated Asa turning 7 years old. We enjoyed the lovely Japanese spring with its world famous cherry blossom trees. We had a missionary visit the church and had a three-day revival meeting with Evangelist Bob Jones. The Highways and Hedges ministry is growing in attendance and we have seen some fruit from those labors. I was able to lead a man to the Lord on his front porch one Saturday morning. Another family visited our church after being invited through our Highways and Hedges ministry. Presently, I am discipling two airmen and a third recently approached me with a lot of questions. Praise the Lord!

Lady's Bible Study

But allow me to highlight the diligence of a wonderful military missionary: my stunning wife, Haruna! She has been building a relationship with a younger Japanese lady. She had her over for tea and scones one afternoon and is helping her, as the lady and her husband (an USAF airman), have just had their first child. The lady's mother is in England and her elderly father lives far away. Haruna has been there to lend a helping hand and some motherly advice to help her through those first few days/weeks of being a new mom.

Ramen's Night out

Haruna also led and finished up a 13-week Women's Bible study. She held the Bible study on Sunday afternoons and had about 10 ladies in attendance. Many gave testimony about how helpful the study was and how that it encouraged them to make better life choices.

Six months back, when Haruna was in the hospital having Phebe, she made a friend with a Japanese woman who was also having a baby. They both gave birth on the same day. The other day, Haruna invited her friend to our house. It was nice to meet her and her six-month-old daughter. Haruna invited her to church and she seemed very interested in coming. Haruna is also learning to play the piano. The PCS season has left us short on pianists so... Haruna fills in on Wednesday nights.

Spring Revival  
with Evangelist  
Bob Jones

She is doing a great job. On top of all of this, she is still home schooling three boys and taking care of a six-month-old and putting up with me! She is a wonderful mother and wife.

One thing is for sure: I married the Japanese Super Woman!

Missionary  
Thomas Brittain

Thank you all for your faithful prayers and support. No way we could be here without YOU. We love you very much. May God continue to bless you!
