

Serving U.S. Military Families in Japan

THE MCKITTRICK FAMILY

Enjoy Times Vol.27 May - June 2017

Dear Pastor, church, & praying friends,

First of all, we would like to thank you for your faithfulness to support the ministry here in Japan. It is a joy to be your representatives here in Japan to reach the US military and their families.

Allow me to share some of what the Lord is doing among us:

A young man recently attended our church services. The first time he came I thought he would never come back. With arms crossed, he sat and listened coldly and then after the service immediately left the building and gave no information for a follow-up visit. But two weeks later, the fellow came back. This time, he talked with me after the service and told me he came from a Jehovah's Witness background but wished he could forget everything he was taught. We set up a time to meet the following Wednesday. We met for over two hours. I explained that he needed the righteousness of Jesus Christ credited to his spiritual account. He replied, "Well, let's get credited!" By the grace of God, this Air Force Staff Sergeant bowed his head and received Jesus Christ as His personal Savior. He was baptized the following Sunday and has been faithfully attending YBC. Please pray for his wife and his brother to obey the gospel of Jesus Christ.

I was also privileged to lead another man to the Lord and baptize him. He was invited to church by one of our members and had been coming for about six months. He rode to church and back home with our member, and the member often shared the gospel and talked about the morning sermon. One Sunday in May, this man and our member met with me after the morning service and he was ready to trust Jesus as his Savior. He trusted Christ and followed the Lord in believer's baptism. Praise the Lord for the faithfulness of his friend to be a consistent witness!

Ryan's Baptism

We had the privilege to preach down at Yokosuka Baptist Church in June. Pastor Navato invited us down and we had a great time. We went soul winning on Friday night and had a young sailor from California make a profession of faith there on the street. That Sunday, a Japanese lady responded to the gospel and trusted the Lord Jesus Christ to be her Savior. Praise the Lord!

Let me share an update on the building fund. So far, we have saved up about \$110,000. Thank you to all who gave; we so appreciate your support. We are nearing the goal of \$300,000. If you would like to make a contribution to this project, please send your gift to BIMl, Yokota Building Fund, Account #1302.

Ladies' Tea

We'll close with a few prayer requests: Haruna's dad to be saved, new families to be added to the church as the PCS season is upon us, spiritual growth of the new converts. May God continue to bless each of you. Thank you for your love and care!
