PRAYER LETTER 13 OCTOBER 2017

Today marks the 7th month since our arrival to Paju, Korea! We are praising the Lord for His faithfulness in granting **the birth of Mars' Hill Baptist Church** on the 24th of September. The Lord sent a total of 58 souls our way to commence the first service and it proved to be a wonderful time of fellowship and even tears of joy.

Despite the scorching heat coupled with the strong humidity this summer here in Paju- we took up the challenge and trudged through the constructions and renovations. Boy, did we ever **experience God's abundant grace!** We would also like to thank those that gave above our regular monthly support to help set off the costs of this great project. **Thank you so very much!**

We have also kicked off **Thursday evening Bible study/ mid-week service** weekly. Please pray God would direct souls in dire need of the Word of God as we continue to distribute our church tracts in the area. A few folks have expressed interest already.

Rose began **one-on-one discipleship** and each at different times with a handful of **ladies in the town**. Some come to our home and for others Rose drives out to meet them at a coffee shop. We are praying for specific hunger and thirst of God's Word along with growth of these precious

ladies whom Rose has personally reached out to. We are grateful to the Lord for His hand even in leading these ladies to Rose.

Girls: Lauren (14), Lyndsy (10) and Lilyanne (4) continue on with their homeschooling efforts and have begun the new school year as of last month here. **Lauren had a rare opportunity to share the gospel** to a lost catholic 7th grade friend (Cha-Lyn) this past July at a music violin camp she attended here. Lauren was able to brush up on her Korean for sure!

Our girls have also been working on memorizing whole chapters of God's Word monthly and just **last Sunday was able to recite the 12th chapter of Romans in front of the church folks** and be a blessing knowing God's Word never returns back void! We move onto to Psalm 91 this month and continue to ask the Lord to teach and feed us as we hide His precious Word in our own hearts and as we minister to others here.

Many have inquired to us about **North Korea and the situation arising.** According to some inside US military sources here, US/South Korea joint military trainings have heightened. Notably, B-1B Lancer bombers are conducting drills near the DMZ. The uncharacteristic lack of reaction from NK even after the US conducted such drills- surprised the US and SK. We are assuming their radar system was out of power again. There are also talks that once US military dependents begin to move back to the US, we are to take our que from them as noting that danger is imminent in the peninsula. Please continue to **pray for wisdom, safety and protection** for us as we reach out to the Korean people that we love so dearly.

We trust that the **Lord remembers and adds to your heavenly account** for every prayer that includes our names and for the sacrificial financial support you send on our behalf. **THANK YOU SO VERY MUCH.**

From Paju, Korea,

Acts 17:22-25

*Then Paul stood in the midst of **Mars' hill**, and said, Ye men of Athens, I perceive that in all things ye are too superstitious.*

For as I passed by, and beheld your devotions, I found an altar with this inscription, To The Unknown God.

Whom therefore ye ignorantly worship, him declare I unto you.

God that made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands;

Neither is worshipped with men's hands, as though he needed any thing, seeing he giveth to all life, and breath, and all things;

PRAYER REQUESTS
