Dear Pastor and Faithful Friend,

The Rock of Ages Baptist Chapel in the New Bilibid Penal Farm Prison celebrated its fifteenth anniversary February the 20<sup>th</sup>. Our national missionary, Bro. Jack Deanon was the special preacher. He was thrilled to see 160 inmates in attendance and the Lord blessed with 50 professions of faith, Amen!

Our national missionary Bro. Jun Monderin and his wife, Tess, have started a very special ministry project. She is a nurse at one of the local hospitals in Quezon City and it has been on her heart for some time to start a medical and feeding program for the inmates. The BJMP officials have approved this program and the first prison to embrace the project was the Caloocan City Jail in Manila.

The Monderins named the group **'Reaching the Unreached': H. E. L. P. Health Educators for Liberty - Deprived Persons**. This program is made up of volunteers from the College of Nursing University of the City of Manila. There are 10 in the core group: 7 female and 3 male nurses, plus 1 hotel manager. Each team member personally contributes 500 pesos (\$10) per month to be used for this medical ministry. This \$100.00 will cover the monthly cost of transportation, medical attention, rice and a piece of fish for each inmate, as well as a bar of soap.

This project will increase its outreach into the remaining chosen 11 Manila jails as finances become available. ***To be able to minister in all 12 prisons we really need your prayers and financial help.*** Many inmates will be helped both physically and spiritually as the gospel is always preached. ***Should the Lord move on your heart, please consider this new ministry as part of your missions outreach, partnering with a monthly love offering to the Philippine H.E.L.P/PDL, Acct. #0885.*** We want to thank you in advance for your prayers and consideration of this new ministry that spiritually and physically aids the Filipino inmate for the cause of Christ. If you have any questions call me at #423-284-5165.

Because of Him,
