

Serving U.S. Military Families in Japan

THE MCKITTRICK FAMILY

Enjoy Times Vol.33 May-June 2018

Dear Pastor, church and praying friend,

It is getting hot and humid here in Nippon (Japanese for Japan) and with the summer months comes the primary PCS (Permanent Change of Station) season. We are in the process of replanting the church again. We had our sound man, choir soprano, Sunday School teacher, and Pee Wee Club assistant move on to NC. That goes to show how important and involved just ONE family can be in an overseas military ministry like Yokota Baptist Church. So when Uncle Sam moves them, it's time to replant :-). But this is God's work and He does such a magnificent job building His church.

We've seen some fruit from our monthly Highways and Hedges outreach.

On a Saturday in May, we met an Air Force man and his girlfriend on the street in front of the main gate while we were passing out tracts. They said they were looking for a church and that they would come the next day. Well, they did, and since then, this Security Forces troop has brought FIVE first time visitors! I've spoken with him and he comes from a broken home but attended a Baptist church while he spent time with his mother. He tells his co-workers that they must come to Yokota Baptist Church and see how special it is. See, God is the Master Builder of His church! It is a particular joy to watch the Lord continue to seek an occasion in the life of our country's military. Please pray that these visitors will continue to come and for us as we visit them in their dorm rooms and housing units.

In an effort to reach out to those just arriving on Yokota Air Base, Haruna and the ladies of the church made welcome baggies for families of YBC to hand out to their new neighbors. Each clear baggie was packaged with an "Everybody Needs A Home" gospel tract, a VBS invite, a Japanese fan and a small packet of the famous instant "Chicken Ramen Noodle." Please pray that this small gesture of outreach will open hearts to the gospel of our Lord Jesus Christ.

Our VBS is scheduled for the first week of August. We appreciate your prayers as we hope to see many children and parents come to Christ! Lord willing, we will let you know how it went in our next prayer letter. Unless Jesus Christ returns before then! Even so, come, Lord Jesus!

We love you all and are so grateful to be here in Tokyo reaching the military with the gospel of Christ. Thank you so much for your prayers.
