Dear Pastor and Faithful Friends,

The Philippine Prison System is changing under the new administration of President Rodrigo Duterte. President Duterte, has taken a hard stand against drug use and the selling of drugs. The Penal Prison System is constructing several new prison facilities. This is taking place because of the great increase in the prison population do to the arrest and incarceration of drug traffickers.

One of these new prisons is located in Bago City, about 18 kilometers outside of Bacolod City. This facility houses both men and women. The women's section is close to the men's chapel and when we preach they can hear the message as well. While preaching there last month 9 men and 2 women received Jesus Christ as their Lord and Saviour. Amen!

I haven't shared any of the inmate's testimonies for a while. I trust you'll enjoy them and hope they will be a blessing to you as they are to me!

Dear Rock of Ages,

Thank you very much for the Bible I always read it everyday and I through reading His word it will change my life. Hebrew 4:12 for the word of God is quick, and powerful and sharper than any two edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and narrow and is a discern of the thought and intents of the heart. this verse was a Blessing to me. and thank you also for the PBI lesson through the PBI I became more close to God and His word.
