Dear Pastor and Faithful Friends,

I mentioned the new ministry, Medical Missions and Feeding Program in our last newsletter. I'm excited to tell you that it has been up and running these past few months. May the Lord touch your heart about helping to meet the need of purchasing medical equipment and with the cost of the much-needed prescriptions. We are so grateful for the four Filipino doctors, two dentist and nine nurses that are giving of themselves to make up this medical team. None of this much-needed aid would be possible without your faithful prayers and financial assistances.

In February the medical team and I were scheduled to go into the Manila City Women's Prison. This institution holds 1,200 women inmates of which 220 were allowed to come out for this special medical visit. They were chosen first because of their medical and dental needs.

The Lord allowed me the opportunity to preach while the initial registration of the women began. Following the preaching sister Gloria taught the women during the next four hours that it took to complete the Medical and Dental screening. The Lord blessed through the combined efforts of the medical team, myself, and sister Gloria to bring sixty-one (61) women to the saving knowledge of Jesus Christ. Praise the Lord, Jesus is not willing that any perish.

The Rock of Ages Church within the New Bilibid Penal Colony Prison celebrated its seventeenth Anniversary. I had the privilege of preaching at this special event. What a wonderful service we had with 90 first time visiting inmates in attendance and 24 of those made a profession of faith.

The month ended with the nineteenth World Mission Conference at Bethany Baptist Church in Makati, Philippines where Dr. Gerald Nable is the Pastor. This faithful church has supported the ministry of Rock of Ages for more than ten years. What a blessing it was to see 29 Filipino missionaries taken on for support.

Thank you for allowing Diane and me to be your missionaries in the Philippines.
