Dear Supporting Churches,

I am sorry I'm just now getting this to you. Jerry always wrote the prayer letters and I'm not good at this, but I'll do my best.

Everything here at the office is going well. Keeping very busy making sure our missionary's get their support each month. Also keeping daily the work here in the office up to date.

In March, I was able to travel to Greece along with my daughter and son-in-law. We were able to see many of the people that we had met years ago when Adam and Brandie were there as missionaries. We were able to take some Bibles to "The Sword Bible Baptist Church." This was a church that Jerry preached in many times when we were in Athens. Bro. Jimmy and his wife Vren, and the rest of the church family were such a blessing to us. They cooked a delicious meal for us and we had a time of sweet fellowship with good friends!

In May I went to Florida for my grandson, Caleb's graduation. I also got to see my granddaughter, Bree, who had just come home from West Coast Baptist College. I am so proud of these two. They are growing into amazing young adults with a heart for God! While in Florida, my son-in-law, Pastor Jason Wiley, hosted a meeting to encourage pastors and their wives in an informal, round-table discussion. I was able to sit in on the panel of ministry wives and answer questions regarding ministry topics for ladies in ministry. It was a privilege to be able to help these young ministry wives!

In July, BIBM held its annual summer board meeting. During this meeting Brandie and I were able to meet with the wives of our Board members. We were able to contact and talk to 3 of our missionary wives that are on the field and we got updates from others and we spent some time in prayer for each one of them. We just want to be an encouragement to the wives of our missionaries, and I hope that we were able to do just that!

During this meeting, the BIBM Council approved a new missionary family. Bro. Michael and Moasing Saka will be serving as church planting missionaries in the country of Papua New Guinea. Please pray for the Saka family as they begin their deputation to raise funds to return to their field of service.

At the end of last year, I was able to help start a widows ministry called "The Joyful Hearts" at our church. This ministry is there for the sole purpose of being an encouragement and support to the many widowed ladies of our church and surrounding community. Being a part of this ministry has been such a blessing to my heart. Please pray for this ministry to grow to the Glory of God!

I want to thank each one of your for your continued prayers and support. It is a blessing to me to know that I have such a great group of supporters behind me as I help to continue the ministry that Jerry and I started many years ago.

May God Bless you all,
